

New Directors Guide 2018-2019

Welcome to the South Central District! We are so glad that you have chosen to teach in our district. The South Central district is, in my opinion, one of the very best districts in our state, filled with many outstanding educators and fantastic band programs. We are here to help you navigate to a successful, rewarding career!

Please know that you are always welcome to contact any member of the district board or event chairs. We are always ready to answer your questions and help in any way we can. Don't hesitate to ask!

To make a large district run as smoothly and efficiently as possible, we rely strongly on our guiding documents. In order to be fair to all directors and their students, we must follow these procedures and guidelines very closely. Please make sure you spend some time looking over the following information on the South Central District website at www.scdba.net.
